R V HV 881 .C45 1999		Family Forever: Reunification Through Family-Focused Foster Care [videocassette]	Arlington, VA : CWLA Press, 1999	A video program and discussion guide created to help child welfare systems in their struggle to improve outcomes for families and children. This media program helps illustrate and add fullness to the relationships of birth parents, foster parents, and social workers.	487
R V RC 488.55 .A64 1990		Family Group Conference: Eddie's Aiga [videocassette]	American Humane Assoc., 1990	This is the dramatization of Eddie, who was caught breaking and entering, vandalizing, and committing burglary at his school. His family is required to convene a Family Group Conference to resolve this youth justice case. This video highlights the Samoan culture, and the native language is used extensively. It takes viewers through the entire Family Group Conference to resolve this youth justice case. This video highlights the Samoan culture, and the native language is used extensively. It takes viewers through the entire Family Group Conference process, from preparation to outcomes, and includes private family time done in the native language.	410
R V RC 488.55 .A64 1990		Family Group Conferences: Joanne's Family [videocassette]	American Humane Assoc., 1990	This video presents the dramatized story of a young girl who is sexually abused by her stepfather and how this care and protection case is resolved at the Family Group Conference. The story is told from the girl's grandmother's point of view and demonstrates the entire Family Group Conference process from preparation to outcomes. This story is unique in the series, because it demonstrates what happens when the family cannot reach an agreement at the first conference and must reconvene after the case goes to Family Court. It also presents various options for victims and offenders to participate in the conference even if each participant does not physically attend. Finally, common questions about the Family Group Conference are answered.	412

R V RC 488.55 .A64 1990		Family Group Conferences: Putting Right the Wrong [videocassette]	American Humane Assoc., 1990	This video presents two dramatized stories from the point of view of victims who participate in Family Group Conferences. The two stories address the issues surrounding a young girl caught stealing by a shopkeeper and an older couple who must face the young man who committed a crime against them. The video follows the shopkeeper and the couple through the Family Group Conference process - from preparation, to the conference itself, to the outcomes of the plan. The video focuses on the victims' rights in the process and was made to help victims prepare for and participate in the Family Group Conference process.	408
R V RC 488.55 .A64 1990		Family Group Conferences: Richard's Aiga [videocassette]	American Humane Assoc., 1990	From school reports, it appears that Richard has suffered bruises and cuts as a result of punishment from his father. Social Services becomes involved and initiates a Family Group Conference to resolve this care and protection case. Almost the entire dramatization is done in native Samoan language, including the narration. Family and cultural traditions are woven into the process, which covers everything from preparation to outcomes.	411
R V RC 488.55 .A64 1990		Family Group Conferences: Stephen's Whanau [videocassette]	American Humane Assoc., 1990	This is an extension from the dramatized story presented in "Putting Right the Wrong" of Stephen, a young man who broke into an older couple's car and stole their camera. This is not his first offense or his first Family Group Conference. The video shows how this youth justice case is resolved at a Family Group Conference. It is told from the point of view of Stephen's family and explains throughout the process as an important aspect for ensuring a successful and lasting outcome.	413

R V RC 564 .S83		Substance Abuse and Family Preservation Services [videocassette]	Buhl, ID : National Family Preservation Network	A national teleconference examining substance abuse from a family preservation perspective. This video shows a documentary, how policy plays a role, as well as useful tools for assisting families suffering from substance abuse. Includes viewers phone-in segment for questions and answers.	1436
R V RJ 506 .D78 .S83 1994		Successful Intervention with Substance Abusers [videocassette]	San Diego, CA : California Social Work Education Center/San Diego State University School of Social Work, 1994	Dr. Annette Smith, coordinator of the Center on Substance Abuse, San Diego State University School of Social Work, guides this program which explores the reduction of the incidence of child abuse through the reduction of the incidence of substance abuse. It is estimated that 40-60% of child abuse cases are substance abuse related, yet meager resources and attention are directed toward alleviating the problem. In response, Dr. Smith offers six elements that provide a framework for successful intervention with substance abusers. Three role-playing scenarios show how these elements are incorporated into situations that social workers encounter in the field, and thus classroom learning is translated into practice.	2673
R V HQ 773.6 .S92 1999		Successfully parenting your baby with special needs [videorecording]	Fair Haven, N.J. : Edvantage Media, 1999	This video is designed to give parents hope and support through enlightening them to the benefits of Early Intervention. Explains the process of diagnosis and referral, how a child is evaluated, how an Individualized Family Service Plan is created, and how to access available resources and services for children with unique needs between the ages of birth to three.	1685
R V HV 873 .S87 1999		Supporting Placements/Foster Parent Participation [videocassette]	DSHS, 1999	Part 3 of Adoption Teleconference, April 28, 1999.	946

VHS Videos Call #	Author/Producer	Title	Publisher	Summary	* 8-Digit Bar Code
R V BF 310.5 .F566 1993		The Psychological Development of the Child : Discovering the Outside World [videocassette]	Films for the Humanities & Science, 1993	Presents the first nine months as an infant acquires more freedom of movement and curiosity in the world around them. Its efforts at discovery are still largely dependent on the assistance and guidance of adults, who help establish the context for learning.	219
R V BF 715.5 .F566 1993		The Psychological Development of the Child : How Relationships Are Formed [videocassette]	Films for the Humanities & Sciences, 1993	As the infant's need for sleep diminishes, its need for stimulation and love grows: the baby is constantly discovering new ways of attracting the attention of the world around it.	223
R V BF 720 .F566 1995		The Psychological Development of the Child : Language Development [videocassette]	Films for the Humanities & Sciences, 1995	The aim of this video is to illustrate the developmental stages of children's language by supplying the viewer with plenty of examples of language from 0 to 6 yrs, used in a variety of situations. Outlines the Nature-Nurture argument and the Thought-Language debates. Not indepth analysis.	250
R V BF 712 .F566 1993		The Psychological development of the child : Psychological Development Before Birth [videocassette]	Films for the Humanities & Science, 1993	This program shows how it is possible to determine the wellbeing of the fetus: how, between the fifth and sixth months, the fetus begins to react to sound: and how, in different cultures, mothers-to-be deal with the condition of pregnancy and prepare themselves for the birth.	229
R V BF 713 .F556 1993		The Psychological development of the child : The Development of Self [videocassette]	Films for the Humanities & Science, 1993	Examines the psychological development of the child in the first year and how an infant learns to deal with the social world around it.	230
R V BF 720 .F556 1993		The Psychological Development of the Child : The Process of Birth [videocassette]	Films for the Humanities & Sciences, 1993	Presents the process of giving birth and shows how different cultures and different individuals within the same culture respond to the birthing experience.	225
R V HQ 758 .F556 1993		The Psychological Development of the Child: Mothers, Fathers, and Babies [videocassette]	Films for the Humanities & Sciences, 1993	This program observes the role of breast-feeding in different cultures and its effect on the role of the father. Where mothers in rural or more primitive areas tend to nurse their infants on demand, babies in industrialized countries are usually born in hospitals to mothers who prefer not to nurse at all or wean the baby at two or three months. This is an opportunity for the father to assume an active part in the care of the infant and to deepen the bonds between father and child.	226
R V HD 57.7 .S43 1997		The Secrets of Shared Leadership	, 1997	Experts show you how everyone at every level can achieve shared leadership through superior communication and mutual trust.	1517
R V HV 3176 .S56 2003		The Shoshone-Paiute Tribes [Videocassette]	Lewis and Clark State College, 2003	The history, past, present, and future of the Shoshone-Paiute tribes in Idaho.	1111
R V HV 6626.5 .B53 1986	Black, Claudia	The Sound of silence	Bainbridge Island, WA : MAC Publishing, 1986	Discusses physical and sexual abuse in chemically dependent families.	724
R V BF 315 .F556 1995		The Study of Attention [videorecording]	Films for the Humanities & Sciences, 1995	Examines the following concepts: the Selective Attention models of Broadbent and Triesman, Divided Attention, and the area of Visual Attention illustrated by the demonstration of the Visual Search technique and the Stroop test.	249
R V BF 371 .F566 1995		The Study of Memory [videocassette]	Films for the Humanities & Science, 1995	This program introduces the basic terms used in the study of memory such as encoding, and storage and retrieval, and looks briefly at the historical ideas about memory. The program emphasizes the radical change in the past decade from laboratory-based research to the study of memory in everyday life.	216
